Close Window

Avid

Start now Liquid; again you should see the activation window. Click then on "Activate Now".

Click in the following window on „View Instructions“.

Click in the following window on „Enter Activation Key“.

Activate Avid Liquid 7 Activation from another computer ✕

 You can obtain an Activation Key from another computer by following these instructions.

1. Print out or write down the information below.
2. On your computer with Internet access, point the web browser to <http://www.avid.com/activate>
3. Enter the following information on the activation web page.

URL: <http://www.avid.com/activate>

Product: Avid Liquid 7.10 (40002)

Pinnacle Passport:
Serial Number:

4. The activation page will generate an Activation Key. Print or write down the Activation Key.
5. On this computer click on the 'Enter Activation Key' below
(or select 'Enter Activation Keys' from the Avid Liquid 7.10 Help menu).
6. Enter the Activation Key in the dialog box.

Enter his activation key in the following window and click then on „OK“.

You should see now the message that Liquid is unlocked. Confirm this message with "OK".

Possible problems and solutions:

- You didn't enter an email address.
- You entered some wrong data.
- Nothing happens when you select **Windows Start Button – Programme – Avid Liquid – Online Registration – Registrieren Sie Ihr Produkt.**
- You waited more than 30 days to complete the activation.
- You installed an update and didn't use the correct CD.
- You installed an upgrade and used the wrong serial number
- Install the AVID Liquid Upgrade Patch before installing Liquid. Install then the latest Liquid Servicepack. Both can be downloaded at <http://www.avid.com/onlinesupport/supportcenter.asp?productID=174>
- Use InternetExplorer 6.0 or higher, empty the Cache and delete all Cookies; check the security settings and the settings of the firewall
- Once Liquid starts in Demo Mode, it must be deinstalled and installed then again.
